

How and Where Will I Be When I Grow Up?
A Workshop for 55+

Saturday, February 27

From 9:30 a.m. - 12 Noon

Center on the Hill at The Presbyterian Church of Chestnut Hill

\$10 for individual; \$15 for pair; \$19 for family

This session offers participants a framework in which to think through what they want, learn some of the community options available, and brainstorm creative solutions for themselves. We'll examine questions like issues related to choosing your housing; alternatives to living alone; your most important concerns as you think about the years ahead; and how choices made now will play out should you become unable to walk alone or become homebound.
