What is the Lifeline Program?

The Lifeline Program is a federal government benefit that provides eligible low-income consumers a monthly discount on their phone or internet bill. The benefit can be used for voice (telephone), Broadband internet Access Service (or BIAS, usually called internet service), or a combined telephone/internet service product from a landline or wireless provider. This helps these consumers communicate so they have the opportunities and security that telephone and internet service can provide, including being able to connect to jobs, family, health care, schools, and 911 emergency services.

What are the Benefits Under the Lifeline Program?

The Lifeline Program provides a \$7.25 per household, per month discount on your landline or wireless voice service and a \$9.25 per household, per month discount on your wireless or landline internet service. The discount appears in the form of a reduction to the bill you pay your service provider. A service provider may also offer you the minimum Lifeline Program with no additional charges. The rules and amounts of support can change over time. A list of the current and future Lifeline benefits under the most recent federal rules is below.

Program Service Amounts

Support Amount (Monthly)		
Effective Date	Voice (Fixed & Mobile)	Broadband (Fixed & Mobile)
12/1/2019	\$7.25	\$9.25
12/1/2020	\$5.25	\$9.25
12/1/2021	\$0*	\$9.25

* Continued voice support of \$5.25 per month in areas with only one Lifeline provider.

Program Service Standards

Effective Date	Usage Allowance		Minimum Speed		
	Mobile Broadband	Fixed Broadband	Mobile Voice	Mobile Broadband	Fixed Broadband*
12/1/2019	3GB	1024 GB	1000 minutes	3GB	20/3 Mbps
12/1/2020	**	**	1000 minutes	3GB or Better ***	**
12/1/2021	**	**	1000 minutes	3GB or Better ***	**

* If your fixed broadband provider does not offer a product meeting the standard, the minimum eligible speed is 4/1 Mbps.

** To be determined based on FCC updating mechanism.

*** Subject to update per FCC Wireline Competition Bureau determination.

How Do I Apply for the Lifeline Program?

There are several ways to apply for the Lifeline Program:

- Contact your service provider and ask if they are a Lifeline Provider. If they are, they can help you get signed up.
- Apply online by going to www.lifelinesupport.org and clicking “Apply Now” in the top right hand corner.
- Apply via paper by going to www.lifelinesupport.org and clicking “How to Apply” to download a paper form.
- If you want a paper copy to apply sent to you, contact the Lifeline Support Center at 1-800-234-9743. After you fill it out and mail it back to them, they will tell you if you are eligible. If you are, you can contact a Lifeline Provider.
- At any time, you can contact the federal program by calling their Lifeline Support Center at 1-800-234-9743 and ask about Lifeline.
- Persons with hearing or visual limitations who want to apply should call the Lifeline Support Center at 1-800-234-9473. Their staff is trained to help you with Lifeline.

Are There Any Other Programs in Pennsylvania?

Yes. Verizon Communications, Inc. has two additional programs:

Lifeline 100 is available to Verizon PA and Verizon North customers at or below 100 percent of the federal poverty guidelines or who receive SSI benefits. If a customer is eligible for this discount, they also would receive \$2.50 plus the current fixed-voice discount. See Chart on previous page.

Universal Telephone Assistance Program helps Verizon PA Lifeline customers pay all or some of the basic charges to retain basic phone service.

Will My Eligibility Be Confirmed?

Yes. When you first apply, you will be subject to an Eligibility Verification. This is done by the Universal Service Administration Company (USAC), the federal agency that provides the support. This will occur if you apply, your service provider helps you, or you call the USAC. They will check their records to see if you are eligible.

Some of these requirements may be suspended during the Covid Emergency. You can get more information by talking to your provider or calling the Lifeline Support Center 1-800-234-9473 or by going online at www.usac.org/Lifeline.

Will I Have To Do An Eligibility Verification Each Year?

Yes. You must confirm every year that you are eligible through an Annual Eligibility Verification. If you do not, you will lose your Lifeline Program Benefit.

Each year, the USAC will check to see if you are still able to get Lifeline. USAC will review their databases that verify your participation in qualifying programs (such as Medicaid).

If you are found in a database, your Annual Eligibility Verification will be done. You will be eligible for another year. If you are not, you will be told and asked to recertify. You must then show that you are eligible.

You can complete the Annual Eligibility Verification by:

- Calling them at 1-855-359-4299;
- Completing the form online at <https://nationalverifier.service-now.com/lifeline>; OR
- Completing the Recertification Form (also called the Renewal) and mailing it to the Lifeline Support Center at this address. This form will be mailed to you if you ask for it.

More information on the USAC can be found at www.lifelinesupport.org.

Some of these requirements may be suspended during the Covid Emergency. You can get more information on this by talking to your service provider or by calling the Lifeline Support Center at 1-800-234-9473 or by going online at www.usac.org/Lifeline.

Can I Lose My Lifeline Program Benefit?

Yes. There are several ways you may lose the Lifeline benefit.

- **Use it or Lose It:** Your Lifeline Program Benefit provider may remove you from the program if you do not use your Lifeline service for 30 days.
- **Change in Eligibility:** You may no longer be eligible for the Lifeline Program benefit if your income goes above 135 percent of the federal poverty level or if you are no longer in an eligible assistance program.
- **One per Household:** You also may no longer be eligible if someone else in your household receives a Lifeline Program benefit. The benefit is non-transferrable to another person.

You must contact your Lifeline provider to de-enroll or if you are no longer eligible for the program. Otherwise, you may be subject to penalties. You should first call your Lifeline Service provider if you have any questions. You can also call the federal service provider at the Lifeline Support Center at 1-800-234-9473 or you can call the PUC at 1-800-692-7380.

Can More Than One Person at the Same Address Get Lifeline?

It depends. In general, federal rules prohibit eligible low-income consumers from receiving more than **ONE** Lifeline Program discount per household per month. A household is defined as a group of people that share income and expenses. If you live with someone you do not share income or expenses with, like when you both live at the same address, you both may be eligible for the benefit.

If there is more than one household at one address, your service provider can use a [household worksheet](#) to see if more than one household lives at the address and you are eligible. You can also call the Lifeline Support Center at 1-800-234-9473 or the PUC at 1-800-692-7380.

What if I Have Speech, Hearing, or Visual Challenges with Doing an Application?

We can assist you. The Lifeline Support Center has specially trained persons to help you with an Application. You can contact them at 1-800-234-9473 or you can call the PUC at 1-800-692-7380.

What if I Have a Problem with My Lifeline Service?

Your Lifeline provider is an Eligible Telecommunications Carrier (ETC). This means that they are subject to the authority of the Pennsylvania PUC. If you have a problem with your Lifeline service, you should first call your Lifeline provider. If you are not satisfied with their response, you may call the PUC at 1-800-692-7380 for more information, including the filing of a formal or informal complaint. You should not call the federal lifeline agency. The federal agency does not address problems with Lifeline.

Can You Help Me Pick A Provider?

No. The services offered for Lifeline can vary by company. You must choose your Lifeline Provider. However, we provide some helpful tips below.

Questions to Ask a Potential Provider

Here is a list of wireless and landline shopping questions you could ask:

For Wireless:

- How many minutes of talk are included?
- Does the plan include internet?
- Is a new phone included? If not, can I continue to use my current phone?
- Can I get Lifeline at no additional charge? How?
- Can I get Lifeline at a discount from my service? How much?
- If internet is included, does the company provide a smartphone?
- How do I get additional minutes or smartphone data per month?

For Landline:

- Can I use my Lifeline to get voice service at no additional charge? How?
- Can I use my Lifeline as a credit toward internet service? How?
- Can I use my Lifeline as a credit toward a bundle that includes both voice and internet? How?
- Does the company offer any other discounted services, or products for Lifeline customers?
